

# 2015 THERAPY PINOT NOIR

Aromas of red cherry, dried herbs, scented oak and vibrant spice. Smooth on the palate with dark cherry and bramble flavours delivering a long finish with fine tannins and balanced acidity.

Even, dark ruby-red colour, a little lighter on edge and youthful in appearance. The nose has vibrant aromas of dark-red and black berried fruits entwined with subtle dark herbal notes along with liquorice, earth and black mineral elements. The aromatics form a good core with depth. Medium-full bodied, the palate has full and up-front sweetly ripe fruit flavours of dark-red and black berries with notes of liquorice and dark herbs. The fruit is plush and accessible, and underlined by fine, supple tannins. The acidity is balanced and integrated. Some spice and nutty oak elements emerge as the wine carries with good drive to a light, nuanced finish. This is an up-front, sweet dark-red and black berry fruited Pinot Noir with liquorice and herb nuances on a supple palate. Match with poultry, pork, lamb and beef dishes over the next 4-5 years. Fruit from the north end of Loop Road, 30% each clones 115 and 777, 20% clone 5, 15% 667 and 5% Abel, fermented to 13.5% alc., the wine spending 24 days on skins and aged 9 months in seasoned oak. 17.5+/20 Nov 2017

Cola, spice and underbrush character are balanced by red fruit in Therapy's 2015 Single Vineyard Pinot Noir. It's medium-bodied and easy-drinking, with silky tannins, genuine Pinot Noir character and a medium-length, silky finish. I'd opt for enjoying it over the next few years, but it's well-enough balanced that it could evolve several years beyond that.			<b>Color: Red</b>

From a single vineyard in the Bendigo district, it is beautifully ripe and fragrant on the nose showing red/black cherry, game, toasted almond and warm spice characters, leading to a succulent palate that is rounded and smooth. The wine offers delightful fruit intensity while remaining elegant and poised, finishing long and silky. At its best: now to 2019. \$30.00. Nov 2017.
